Together, We Continue to Make an Impact

As summer comes to a close, we want to thank each of you for being part of the Women Who Served: Colorado Veterans community. Whether you've attended an event, volunteered your time, shared one of our posts, or simply cheered us on from afar, you are helping us build a stronger network of connection, support, and recognition for women who have served.

This summer has been filled with exciting milestones, meaningful conversations, and new opportunities to serve our Colorado military and veteran community—and we're just getting started!

SPRING/SUMMER HIGHLIGHTS

Women Veterans Engage Conference

This spring, we proudly hosted our inaugural Women Veterans Engage conference, bringing together women veterans from across Colorado for a day of connection, inspiration, and community. Through meaningful conversations, networking, and shared experiences, attendees strengthened relationships and celebrated the unique contributions of women who have served.

Women Veterans Day Celebration

On June 12, we were honored to co-host the Women Veterans Day Celebration with The Colours Foundation. Together, we celebrated the courage, service, and sacrifices of women who have served our nation while recognizing the lasting impact they continue to make in their communities.

Growing Our Community

We're thrilled to welcome new members and supporters to Women Who Served: Colorado Veterans. Every new connection strengthens our mission of empowering women veterans through connection, support, and growth.

Military Women's Memorial Partnership

We continue to encourage every woman who has served, past or present, to register her story with the Military Women's Memorial. Preserving these stories ensures that future generations understand the vital role women have played in defending our nation.

LOOKING AHEAD & UPCOMING EVENTS

We're excited about the months ahead and hope you'll join us as we continue building opportunities for women veterans across Colorado. Whether you're looking to connect, volunteer, or simply enjoy time with fellow veterans, there's something for everyone.

FOUNDERS CORNER

By Stephanie Moncalieri, Co-Founder

When Jennifer and I started Women Who Served: Colorado Veterans, our vision was simple: to create a place where women veterans could find connection, community, and a sense of belonging long after hanging up the uniform.

Military service shapes us in unique ways. It teaches resilience, courage, leadership, and sacrifice. Yet many women veterans leave the military searching for a community that truly understands their experiences. This organization was built to fill that need – a place where every woman veteran is welcomed, valued, and empowered.

Every event we attend, every volunteer opportunity we embrace, and every friendship we build reminds us why this mission matters. Together, we are proving that our service did not end when we left the military. We continue to serve our communities, mentor one another, and inspire future generations through our actions.

I encourage each of you to get involved, share your story, and reach out to another woman veteran. You never know how much a simple conversation or invitation can change someone's life.

Thank you for believing in this mission and for making this organization more than a group, it is a family. We are honored to serve alongside each of you, and we look forward to all that we will accomplish together.

With gratitude and respect
